

MEET YOUR TUTOR

A friendly introduction to Mandy and her animal family

Hello, I'm Mandy!

I'm a SEND tutor who loves helping children and young people feel safe, understood and confident as they learn.

Everyone learns differently. I take time to discover each learner's interests, strengths and the approaches that feel right for them.

This page tells you a little about me. If I sound like someone you might enjoy learning with, I hope we have the chance to meet.

A little about me

I grew up in Leeds and now live in York with Daniel and our pets. I love spending time outdoors, walking and exploring country roads on my bike.

I once cycled from Wetherby to Filey! I felt a little nervous, but I tried my best—and I loved the adventure.

Meet my animal family

Our home is busy, cosy and full of much-loved animals. Let me introduce you to them!

Emee & Olive

Our resourceful rabbits love relaxing together—and they both adore a tasty treat!

Pearl & Ruby

Our playful black cats are loving sisters who enjoy chasing, climbing and curling up together.

George

George is our gorgeous puppy and the newest member of the family. He is curious, playful and learning about the world.

A calm start • Time to feel comfortable • Learning shaped around you

If you would like to meet me, I would love to learn more about you too!
