What might autumn show us?

Look closely... what do you notice?

• Leaves

• Conkers

• Acorns

• Pinecones

• Berries

• Fungi

• Trees

• Animals

What will **YOU** discover?

Look closely... what can you see, hear, feel or find?

Small things
can make
big
discoveries!

Be curious
Be kind
Be a nature
explorer

Nurture ♥ Explore ♥ Grow

What did **YOU** discover?

Let's investigate our finds!

I found...

I noticed...

It feels...

I wonder...

Nurture ♥ Explore ♥ Grow

Let's investigate our finds!

We can use our senses to explore and learn about the things we find.

Nature
helps us
notice more

Look

What does it look like?
What colours can you see?
Can you spot a pattern?

Feel

What does it feel like?
Rough or smooth?
Soft or hard?

Smell

What does it smell like?
Strong or mild?
Does it have no smell?

Listen

What can you hear?
Can you hear leaves
crunching?
What else can you hear?

Think

What do you think?
Where might it have
come from?
What would you like
to find out?
